

## **DOGS**

Dogs are not required to be on leash at Junco Cabin. However they must be on leash once hikers enter the Indian Peaks Wilderness Area.

Even though dogs are not required to be on leash outside of the Wilderness Area, they must be under voice command. This means that a dog would be restrained from chasing wildlife or jumping on people by a single voice command (for example.)

You might let people know that dogs have been lost in the area because they ran off chasing wildlife. Also, encounters with some wildlife can be very dangerous to the dog.

There are some loaner leashes in the back of the cabin.
